

ON MY CASE

Description

*Oh that thou wouldst rend the heavens, that thou wouldst come down, that the mountains might flow down at thy presence, Â Â *As when the melting fire burneth, the fire causeth the waters to boil, to make thy name known to thine adversaries, that the nations may tremble at thy presence! Â Â *When thou didst terrible things which we looked not for, thou camest down, the mountains flowed down at thy presence. Isaiah 64:1-3*

ON MY CASE

At times battles may look stronger than you and render all your efforts, strategies of winning and known ability fruitless. You may have done all you knew to do to be free, but you are looking at your testimony and it can't reach your hand or your hand can't reach it. It will take an encounter you are about to receive in this edition of Voices From Zion for you to receive all your portion. You may be facing battles that

no counselor, pastor or your known prophets could help out. You might vent your energy on it and invested your resources for your freedom and it all proves abortive. The title of this edition is **On My Case**. Let's look at some terrible cases;

1. **Marital Cases**: There are marital cases that may blow up your head, which no matter the counselors and the books you have read about marriage will prove you wrong continuously.

Every of your known ability to have a good marriage or marry the right person may not work out. There are men that have many ladies around them with no affection for any of them except a particular one that they really love and which the devil (or situation of life) won't allow them to have (get married to). Some are now in their fourth marriage yet threatened to divorce. Do you have a marital case this scripture will help you out: Matthew 19:3-8 ***The Pharisees also came unto him, tempting him, and saying unto him, Is it lawful for a man to put away his wife for every cause? And he answered and said unto them, Have ye not read, that he which made them at the beginning made them male and female, And said, For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh? Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder. They say unto him, Why did Moses then command to give a writing of divorcement, and to put her away? He saith unto them, Moses because of the hardness of your hearts suffered you to put away your wives: but from the beginning it was not so.***

2. **Material Cases:** Materials are very important to life; if you don't have the necessary materials it may delay you from entering the next level. A pastor that doesn't have a complete Bible, how would he preach edifying messages? A farmer that does not have a good cutlass will suffer on the farmland. Lack of necessary materials are blockage to the next level. Some are so troubled that even if they borrow materials, it will get spoiled in their hand. There is a power behind your lack of materials. Lack of necessary materials place limits on destiny. Driving a long distance is better than trekking, flying to far places is better than driving. Life can be more comfortable with necessary materials. The following scriptures will help out; Ecclesiastes 5:18 ***Behold that which I have seen: it is good and comely for one to eat and to drink, and to enjoy the good of all his labour that he taketh under the sun all the days of his life, which God giveth him: for it is his portion.*** 1 Timothy 6:17 ***Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy;***
3. **Spiritual Cases:** are the worst of all cases. Many today are spiritually bankrupt and almost emptied of all divine virtues. Spiritual battles can be won if one is spiritually energized. The truth is that everyone shot down by the evil ones is as a result of spiritual emptiness. If you are spiritually balanced, you will stand tall. Spiritual cases will require divine intervention. There are people that had been enchanted to die and they died, some ran mad not because of high fever but great wickedness. Some are wallowing in curses just because someone placed it upon them. A full grown man returned from work, went into the bathroom to bath himself, when he was done he went back to his room, brought out all his clothes and set them ablaze then a concerned neighbor intervened but the man pounced on her, then it became clear that he had ran mad. He was captured from the street and tied down like a goat until some Christian brothers came to his rescue, God almighty set him free but that is a spiritual case. A spiritual case can be responsible for marital curses and lack of necessary materials. Even God controls all things by the power of his word. The following scriptures has what to say: Luke 11:17-26

But he, knowing their thoughts, said unto them, Every kingdom divided against itself is brought to desolation; and a house divided against a house falleth.Â *If Satan also be divided against himself, how shall his kingdom stand? because ye say that I cast out devils through Beelzebub.Â *And if I by Beelzebub cast out devils, by whom do your sons cast them out? therefore shall they be your judges.Â *But if I with the finger of God cast out devils, no doubt the kingdom of God is come upon you.Â *When a strong man armed keepeth his palace, his goods are in peace:Â *But when a stronger than he shall come upon him, and overcome him, he taketh from him all his armour wherein he trusted, and divideth his spoils.Â *He that is not with me is against me: and he that gathereth not with me scattereth.Â *When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest; and finding none, he saith, I will return unto my house whence I came out.Â *And when he cometh, he findeth it swept and garnished.Â *Then goeth he, and taketh to him seven other spirits more wicked than himself; and they enter in, and dwell there: and the last state of that man is worse than the first

I'm glad to let you know that you are the next in line for a testimony. God is on your case right now but you have to

1. **Bombard The Heavens:** In prayers and high praise. There are some cases that if you don't change your tone in prayer the situation will remain the same. Shouting in prayer is not wrong, it simply defines seriousness.

His word says ***Oh that thou wouldst rend the heavens...*** so it means that you have to call for divine presence. Nobody keeps silent in a burning building, you have to shout or call out for help, if you don't, that may be your end. Call God for your rescue loudly and seriously. Peter called in Matthew 14:23-31 not only call but he cried, the Bible rendered it this way; ...***But when he saw the wind boisterous, he was afraid; and beginning to sink, he cried, saying, Lord, save me.Â *And immediately Jesus stretched forth his hand, and caught him, and said unto him, O thou of little faith, wherefore didst thou doubt?Â*** If you don't cry out for help at the right time, you may lose your life like that. No matter the situation, you can call God to rend the heavens for your sake. ***that thou wouldst come down,..*** Whenever God appears, your nightmares disappear. Whenever God shows up, your travails and trouble goes off. Until he shows sorrow continues, therefore you have to call him for you to see him. ***Act 16:25-26*** Paul and Silas received his majestic presence and all chains and bounds fell off. You can bring down divine presence in prayers and praising God. Any prayer or praise adventure that left you the same lacks divine presence.**Â**

2. **Prayer Mountain:** it's good and worthy of note that Christians can pray any- where and God hears and answer but there are some cases that will require going for an adventure with God to have a change of story. A church camp meeting, convention, or a prayer mountain somewhere can serve that purpose. There are places where Angels of God ascend and descend Genesis 28:11-22, such as Bethel, Mount Sinai, Calvary and Mount Carmel-like places are all over the world. You may need to take some times off to talk to your heavenly father on your case. Most of the people that go to the prayer mountain to seek the face of God always return with testimony. Jesus always returns from the mountain with greater grace on his life: Matthew 14:23 **And when he had sent the multitudes away, he went up into a mountain apart to pray: and when the evening was come, he was there alone.**

Matthew 17:1-5 **And after six days Jesus taketh Peter, James, and John his brother, and bringeth them up into an high mountain apart, And was transfigured before them: and his face did shine as the sun, and his raiment was white as the light. And behold, there appeared unto them Moses and Elias talking with him.**

A prayer mountain does not mean a place where a minister of God (the Prophet) is ministering, it could be a place where you camp alone with God. There were no priest in mount Moriah, Abraham went there to meet with God. Genesis 22:11-13

Reasons Why Cases Remain Unchanged:

It's good to also note that if you are guilty of any of the under listed reasons, your bound may be stronger.

1. If you neglect salvation: Hebrew 2:3
2. If you refuse to put yourself together: Isaiah 1:18
3. If you believe not: Mark 11:21-24
4. If you won't wait on God: Isaiah 40:28-31
5. Lack of patience: Hebrew 10:35-37
6. If God can't get your attention: Revelation 3:20
7. If you will not serve God: Deuteronomy 28:47-48

The desire of God is to see you free but your double-dealings and disobedience has cost you your fulfillment and establishment of miracles.

You shall not be ashamed! Till we come your way again. Keep hearing Voices From Zion.
