## ARIWO AYO

### *The Voice Of Rejoicing*

It is noted amidst heaven believing individuals and congregation that heaven is a place of splendour, untold place of fascinating Joy and contagious laughter. It's a place of joy that has no bound. It's a place where tears are wiped away from every eyes that made it. It's a place where every individual on earth will never want to miss. The sudden happenings in the heavenly are not attacks but miracles and joy overflows. It's a place where darkness has no strength, all day long place of praise. It's totally different from the earthly limitations and rotation. The earth operates time but the heavens are timeless. So this lifestyle of praise, shouting and rejoicing can be brought into individual's life and congregation. Psalm 118:15 ***The voice of rejoicing and salvation is in the tabernacles of the righteous: the right hand of the Lord doeth valiantly.***

You can over turn your earthly experience to an heavenly one by allowing the word of righteousness to dwell in you and obey the detail of the Bible. Steps to ARIWO AYO: the ***Voice Of Rejoicing.***

**1.Import The Heavenly:** God came down to take over the charge of every life that is intentionally and deliberately handed over to God. Salvation from the wicked and deadly forces comes by Salvation which is offered by the precious blood of Jesus Christ which is the main gate way to new life of God. God has a better life for anyone that will receive Jesus Christ as Lord and Saviour Matthew 1:21. Yes! Also it is good to note that many claimed to be born again and often suffer all kinds of calamities, tragedy and chaos, they hardly have thoroughfare in life. **Romans 6:23, 1-3, 1 John 3:8.** It become certain from the scriptures that at sin point grace is cancelled and sin makes you devil's properties which makes him release his wickedness and destruction.

**2.Live the Heavenly Lifestyle:** It's actually the lifestyle of absolute Holiness where even the blind can perceive you as an holy person. **Romans 1:4** as long as you will continue to reject the royal sinful dainties Daniel did and say no to Portiphar's wife, and refused the Gehazi syndrome, turn away from Ananiah and Saphirah dealings you will live and farewell in peace, plenty and progress. It's not just enough to be born again but to further into living righteous lifestyle practically. When you intentionally drive rough on the integrity of God's word or make him a liar, you intentionally reject his reprove, correction and walk in unrighteousness then you have invited the devil and his instruments of destruction. Just because you refused to train up your children in the way of the Lord then your house is full of all kinds of evil characteristics such that people will begin to wonder if you are a Christian indeed. Many had intentionally done the wrong thing and are paying heavily for it. So when we allow sin and unrighteousness then satanic three fold mission will be carried out on our life, see it in **John 10:10.**

**3.Enforcing Righteousness:** If ARIWO AYO the voice of rejoicing is what you desire then you must begin to cut off the works of the flesh. Lasting joy in the Lord is made possible by living right. In Psalm 118:15 **The voice of rejoicing and salvation is in the tabernacles of the righteous: the right hand of the Lord doeth valiantly.** The opposite of that scripture will be lots of the unrighteous **Psalm 1:1-6.** As a Christian you should abide with good and best things of life. Once you begin to suffer adverse effect then you might need to look inward and around because Achan lost out and died for troubling the Israelites. Joshua 7. Gehazi ended up as white as snow with leprosy which he bought into when he went after Naaman 2Kings 5:1-27. Judas Iscariot had no place of repentance for driving rough on God's integrity **Matthew 27:1-5.**

It's 'somehow' for some of us to live our life according to Biblical realities. Sex before marriage is wrong and that is the way it should be, but when we fall out of order then our life wall suffers cracks. It's Satanic not to submit to the right authority especially in our offices and Gospel ministry. Paying our Tithe to the Church is obligatory, if you drive rough on it, only you will tell the chaotic story. Wife submits to your own husband is biblical order and Husband love your wife is not a word from a motivational speaker, it's found in **Ephesians 5: 22/25** The devil always makes unreal the word of God to people; don't allow him, his eyes are on your joy. He wants you full of sorrows he's distributing. Finally **in the tabernacles of the righteous:**

- i. Great destinies are breed.
- ii. The Impossible are made Possible.
- iii. God's presence is evidential.
- iv. Joy Overflow
- v. Light and Understanding.

vi. Peace and Progress and *All kinds of good thing. Don't Lose it.*
