AUTOMATIC DELIVERY

It's good to understand that the earth has been programmed by God to deliver to us whenever we sow. The scripture affirmed that we brought nothing into this world and of course we would leave with nothing. Yet it's good to note that what we put in the earth (ground) determines what we gain on the earth. Today God is bringing you into light and you will be able to command Automatic Delivery in this special edition of Voices From Zion. Listen! ***And he said, So is the kingdom of God, as if a man should cast seed into the ground; *And should sleep, and rise night and day, and the seed should spring and grow up, he knoweth not how. *For the earth bringeth forth fruit of herself; first the blade, then the ear, after that the full corn in the ear. *But when the fruit is brought forth, immediately he putteth in the sickle, because the harvest is come.*** Mark 4:26-29

1. **Your Seed Is Important:** You must know that! It's very important. What you sow will determine what you will harvest. Almighty God sowed a seed which is his only begotten son and he's still reaping it today. There are men that shield their children from serving God, keep their pocket and possession from the betterment of humanity. A child you shield away from (serving) the Lord or refused to train in the fear of God and Love for humanity will grow wild to even disturb or hate you. What you sow, you shall reap.
2. **Every Word Of Your Mouth, Your Wishes For Others and Your Giving Are Seed.** Some parents grew old not taken care of by their children because of the way they trained up those children. African continent had such a biblical culture that promotes good morals and sensible acts. Africans believed in their children's great tomorrow, which is very important to them. African parents are mostly happy when their children take care of them, which some of them sees as

reward for their years of labour, answered prayers or God's blessings. They prefer getting from their own children than from those outside their loins or the government.

3. **Many Lives Are Endangered:** Today, some stripped naked, many in abject poverty, some others are living like parasite feeding (or living) on others; mostly because nothing good had came out of them as a seed to the earth and to the life of others. Prayers may not be answered especially when you are asking as if you want to withdraw money from an empty account. Let's look at the life of this son of a rich man called Isaac. Isaac had almost everything to himself because his father was godly and very rich. Yet Isaac didn't rely on his father's wealth in fact he went far ahead of his father Abraham and lived longer than him. Genesis 26:1-4, 12-14
*...Then Isaac sowed in that land, and received in the same year an hundredfold: and the Lord blessed him. *And the man waxed great, and went forward, and grew until he became very great:Â *For he had possession of flocks, and possessions of herds, and great store of servants: and the Philistines envied him.Â Â*

One good thing to note in that above scriptures is that Isaac sown in that land. Truly the seed your father sown might have affected your life positively or negatively, but you can launch a counter attack against negativity and progress to higher level of blessings by sowing greater and better seed yourself.Â One good news to good seed sowers is when destruction looms on all they will be shielded from it. Malachi 4:1-2 says *For, behold, the day cometh, that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble: and the day that cometh shall burn them up, saith the Lord of hosts...* Everyone sowing good seed today have a better than now' days ahead. Any man that is addicted to sowing good seeds; his generation won't be wiped out under whatever chaos and destruction that may loom on the world.

TYPES OF SEED:

1. **CROP:** or plantings on the farmland which s the first seed that sustains humanity. Crop are of great value such that no human can live without food and drink. Genesis 2:7-8 *...And the Lord God planted a garden eastward in Eden; and there he put the man whom he had formed.* God was the first to plant; he planted a Garden and put the Man Adam there. God laid down the planting rules. No technology can replace crop planting in fact the absence of trees in human community is to promote health hazards. A farmer that plants nothing will harvest weeds or nothing. Proverbs 20:4 *The sluggard will not plow by reason of the cold; therefore shall he beg in harvest, and have nothing.* Planting is important to living, and no man can really explain the power that makes whatever you plant grow-Automatic Delivery. Just because the earth is programmed to bring forth of her own. If any nation keeps to farming, they will keep having food. Vegetation is also important for better living on the earth.
2. **GIVING:** (Material and Financing): Giving is also a seed sown via the light of scriptures Luke 6:38 *Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.* It's only substantial things can be sown; such that have capacity for growth. So giving is equals to sowing and receiving is harvesting. Biblically our giving should be to God first, then human. However so many are engrossed with darkness that if possible they want to possess all the houses and money of this world,Â that's why the bible says *For we brought nothing into this world, and it is certain we can carry nothing out. *And having food and raiment let us be therewith content. *But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition. *For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.*

Â 1Timothy 6:6-10.Â It's also good to note that money and materials will keep multiplying back to you if you always give them out. More so, giving to God is actually promoting the gospel of our Lord Jesus Christ with our money and materials and the Almighty will see to our comfort and wellbeing if done with good heart and righteousness.

3. **FREE SERVICES:** This is very, very difficult for many to do because they believe they can only increase by gathering and having more clients. When you render a service free for God and humanity then Matthew 6:33 blessings will be fulfilled in your life because seeking his kingdom is also seeking the good of others. The word of God says in Galatians 6:9-10 **And let us not be weary in well doing: for in due season we shall reap, if we faint not. *As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.** So we need to understand that whenever we Christians want to render free services, the church of Jesus Christ must be our first consideration otherwise our seed may be trampled under the feet of men. *Matthew 7:6*
4. **BLESSING OR CURSING:** both are seed, you can be so angry and lay curse on yourself and die of the wrong use of your mouth whereas the wise ones are blessing themselves with the right words. God spoke in Deuteronomy 30:19 I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live: One of those things you have to always practice is right words. It isn't a gift, it's a choice. The choice for right words is inevitable for great tomorrow. Only a foolish father will lay curses on his children. Most time we curse ourselves by being worldly (ungodly), speaking as those that have lost their minds. Speaking guile such as I'm mad, I'm wicked, I'm dead and I'm terrible; just jesting into horror. What you are calling with your mouth is on its way to your life. Its better you change your words from bad to good now before you'll begin to reap the fruits. Mark 4:28 **For the earth bringeth forth fruit of herself; first the blade, then the ear, after that the full corn in the ear.** Always note that your tomorrow is in what you say today. These kind of seeds are so powerful that they can cancel all other seeds, for instance the Holy Bible says And they shall build houses, and inhabit them; and they shall plant vineyards, and eat the fruit of them. Isaiah 65:21 but if you begin to declare otherwise, it will be your lots. By the wrong usage of your tongue, you may plant good seeds and never partake of it. Because of that when harvest comes, sickness and other troubles come along with it, because of the wrong sound you have been producing against your seed.
5. **THE WORD:** There is one great seed that will give meaning to any meaningless life, reshape a shapeless life, enthrone today's slave as king tomorrow, turn a cast-away to a celebrity; it is called The Word Of God. Luke 8: **11 Now the parable is this: The seed is the word of God.** It must be given the first place; words from the Holy Bible can turn an entire life around for good. Hang your destiny on the word and great will be your destiny.

I. The Blade: the seed sown will grow after sometimes in the ground and begin to show in phases. The first is the blade which is the sign of better yield. The moment you cast the seed into the ground, some reaction will go into action, working on the seed for growth. The Living Bible renders Mark 4:28 this way: For the soil made the seeds grow. First a leaf-blade pushed through, and later the wheat-heads formed and finally the grain ripened,

II. The Ear: Now at this stage the fruits are forming and your happiness is activated. At times it takes long period but harvest is sure even if it's a perennial crop. It's good to sow seeds that will engenders lifetime harvest and that can only be sown into the Church and life of humans.

III. **The Full Corn:** And that is what you live on, feed yourself, your people and even the nation. Something great and beautiful is always coming on the way of seed sower. If all you know to do is wickedness; you haven't seen anything yet by the time the full corn shows up, you and your evil doers will be wiped out. Also on the other hand, good news to the good seed sower; when your time is fully come, you will rejoice. Your prayer seed, financial seed and other seed sown will soon return as full corn.

But when the fruit is brought forth, immediately he putteth in the sickle, because the harvest is come. This proved to us that you will soon have store to be keeping the fruits, you will be somewhere to showcase the fruits, you will live on the fruits. Sowing and Harvesting is Automatic Delivery
