My name is Ayonitemi Ayodele. This year 2021 you will laugh louder and laugh the best, your yesteryears weeping point will be turned to a dancing point. Those that are washing their mouth on you will be silenced. Every month of this year will bring you open enemy disgracing testimony. Those who think you will never amount to anything will be put to an open shame by your testimony. Listen!

Your Labours of years past will speak this year, you will be harvesting testimonies of good and great things you had wish yourself many years past.

Actually I was perplex and had some little fear within me last year, seeing where I am and the impossibility of going into where I want to be. To be true and candid; it has been hectic and shameful but all the same I carried on because he sent me and I can't say no to the call of God. In the midst of my complex perplexity my heart kept drawing towards God's presence and last day of last year he spoke to me from the book of Isaiah 61:1-7 in which verse 4 says **And they shall build the old wastes, they shall raise up the former desolations, and they shall repair the waste cities, the desolations of many generations.** And said that 'the year 2021 shall be your year of Open Testimony. Wow! I rejoiced because immediately I knew that God is out to turn out plenty out of scarcity, builders out wanderers, distributors out of beggars. He's the God of the whole earth, what can he not do? Nothing!

Therefore as you read this bulletin everyday and be part of Ayonimyte 2021 Open Testimony Projects You will encounter Angelic intervention that will move you out of what you don't want into what you really want. Ayonimyte 2021; It's my year of Open Testimony.
