AYONIMYTE BIBLICAL POET 10

Tapping into help and divine assistance from the mystery loaded into Proverbs 18:10 which says ***The name of the Lord is a strong tower: the righteous runneth into it, and is safe.***

There is no man without challenges. Most nations around the world have some sorts of towers and bunkers built across their nation for some purposes. Some countries has strong bunker which serves as a hideout when natural disaster strikes. In most developed nations, a whole lot were invested in the safety of their citizen yet many lives of humans are still being wasted because man is utterly limited in saving another and up until now, there is no apparatus and buildings that guarantees total safety of man anywhere in the world.

It is good to come to this supernatural understanding that ***The name of the Lord is a strong tower:*** that cannot be broken into by any kind of forces. No disaster can penetrate it; its the only sure safety against all kinds of present day and yet to come disaster. Therefore without running into the name of the Lord; you are opened to all kinds of disaster no matter where you hide, you are still ultimately vulnerable. Only those that have the name are truly safe. Human towers and bunkers have limited space, can't contain all citizens at the same time yet ***The name of the Lord is a strong tower:*** which is limitless and is always open to the righteous such that in a aircraft that is about to crash, in a vehicle that is about to have fatal accident, in a boat that is about to capsize, in a ship that is about to wreck, while in a collapsing building or in the midst of fire out break or approaching flood; you can run into it and you will be safe. No matter the looming calamity it remains the safest place of security. That name of the Lord is Jesus Christ and is open all the time for those that have accepted him as their Lord wholeheartedly. Would you also love to receive him now?

Say 'Lord Jesus I receive you now as my Lord and saviour, forgive me my sins and make me your child and I will live to show forth your glory from today. Be my tower and let your name in my mouth always answer for me.'

Shout: JESUS!
