AYONIMYTE BIBLICAL POETS 8

A deep reflection on the insight and power of **III John:2**

Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.

It is only in Christ Jesus you enjoy true good wishes from fellow brethren in the faith. Some of the problems people have today came into their lives as a result of ill-thoughts of their friends and family. Some of the people around you are passage of evil into your life. Some people are happy within that you are actually suffering. Your pain and discomfort are deposited into your life by some humans that has lend their wholeness to the Devil.

- Human carries evil or good presence(spirits)
- Human can be God's agent of liberation or Satanic agent of destruction yet the good thing here is that when you hand over your life to Christ and become born again then you begin to enjoy heavenly contents in other brethren in Christ Jesus. Their good wishes and prayers will be what God will be using to work miracles in your life.
