

MY TIME OF FAVOUR HAS COME

Description

Thou shalt arise, and have mercy upon Zion: for the time to favour her, yea, the set time, is come.

Â

For thy servants take pleasure in her stones, and favour the dust thereof. Psalm 102:13-14

Â

WHY THESE WORDS? These words connotes that some evil has been ravaging a life for so long. Somebody here has been suffering from a particular problem for so long, but God has said this is your time of favour let's look at this biblical character called Joseph. He has been suffering for so many years but his time of favour finally came. Psalm 105: vs 16-22 so it doesn't matter how long you have been suffering your time of favour has come. Say; "It's my time of favour!"
