BRIGHTEN UP

What does it mean to be 'brighten Up'?

1. **To Walk In Current Revelation:** or needed revelation or knowing what to do at every point. Revelation is God revealing how to go about your life to you. Revelation is to know the heart of God concerning you per time. Revelation is divine guidance to success in a given task which will uproot you from being confused as others. Psalm 112:4 ***Unto the upright there ariseth light in the darkness: he is gracious, and full of compassion, and righteous.***
2. **Understanding Of Times And Season:** we must know times and seasons Esther 1:13, 1Chronicle 12:32 , Genesis 8:22. This understanding of times and season will deliver you from wrong investment, wasted efforts, hard labour, error and ultimately from accidents. When rain is approaching is the best time to plant some crops because rain water is better than irrigation on any farmland. If you have the understanding of times and season like the Children of Issachar; there are things you will start and there may be things you will have to stop doing. There are things you need to do now. There are sacrifices you need to do now because doing it tomorrow will be a major error.

Be blessed.
