CARRY ON

We discovered that God is everlasting; He has no end. He is the Creator of the earth all things seen and unseen were made by Him. God cannot fail or faint, His capacity for strength is beyond human comprehension. God's understanding is unsearchable.

What are you passing through, what's the challenge daring you every day? What is the opposition you have in your ministry, what are the evils around you, they are all nothing before God, because He remains the only real solution to all life threatening challenges.

Solution comes out of situation. Testimony comes out of trial. Champions come out of challenges, and Help comes out of helplessness. God can overturn your situation this month and turn it around. It's not over yet, God who had determined you to be a winner will not watch you be a loser and you shall not loose in Jesus name.

Even though we are on the right track, following the call of God for our lives, we do face challenges, weariness, sometimes we feel fainting on the way, in our businesses, education, homes, in our career, in our ministry, even among our loved ones we still face challenges.

May be you have thought about quitting God and His work. May be you cannot see any good thing forthcoming in your God given assignment. You may suddenly discover you are alone; others have left you. This month **Voices From Zion** is written for you titled **CARRY ON**. Our text is *Isaiah 40:28-29* ***Hast thou not known? hast thou not heard, that the everlasting God, the LORD, the Creator of the ends of the earth, fainteth not, neither is weary? there is no searching of his understanding. *He giveth power to the faint; and to them that have no might he increaseth strength.***

KNOWLEDGE OF GOD

Knowledge of God infuses strength. Your understanding of God will determines how He will manifest Himself to you. If you know God enough, you will fear no man. If you know God enough, you will dare any mountain, you will be confident in battle; you won't beg anybody at all for anything except for the fun of it. Your knowledge of God is crucial to your Christian living. Always study the scriptures on daily basis to know God more and more. What He did yesterday, He have power to do today. From our running test, we discover that God is invincible, cannot be conquered, all forces are from Him; even Lucifer(Satan) is created by God. He made all things and all are under Him. God cannot be tormented, God cannot be exact upon. What He will do, He will do, what He will not do, He will not do; no matter what you do. *Lamentations 3:22* says ***It is of the LORD's mercies that we are not consumed, because his compassions fail not. *They are new every morning: great is thy faithfulness.*** The Mercy of God kept you till today, if not you can't be alive today. The enemy wants your situation to be worse and result in sudden death but God's mercy kept you. Not only that, God's mercies are renew on you every day that's why you are still breathing. If there is life, there is hope. Battles are tougher at their tale end. War films are tougher at the end than the beginning. The reason why the battle is so tough for you is because it's about to end.

Psalms 30:5 ***For his anger endureth but a moment; in his favour is life: weeping may endure for a night, but joy cometh in the morning.*** It's the truth even God said His own anger endures but a moment; that means no matter the reason behind your struggle should not pass a moment. God will open you to your next phase in life in Jesus name. The phase of tribulations, frustrations, pains, sicknesses, and destruction ends today in your life. Believe these *Voices From Zion* and it will answer for you in Jesus name.

CARRY ON with live, it doesn't matter the challenges; don't watch it! face it! In your ministry is your testimony. In your talents is your greatness, in your task is your blessings, in your assignment is your glory. Therefore, don't stop, carry on! It may not pay you all the money today but it will surely pay much more tomorrow. Continue on the right path. Failure to do His work is failure to be attended to. Jesus has opened such a tremendous business for you, continue in it. All those men who have built multi-million business empires today started someday (small). If they had stop in time of challenge, they won't be as great as they are today.

STRENGTH TO CARRY ON

Isaiah 40:29* *He giveth power to the faint; and to them that have no might he increaseth strength***. Strength to carry on is easy if you can contact the power of Holy Spirit. **Acts 1:8, 2:2-4** Until the Power of God invaded your temple the strength to Carry On will still be needed. The Holy Spirit

strengthens the Disciples of Jesus to continue even after their master had gone. You need the Holy Spirit; without His guidance and empowerment; it's impossible for you to Carry On, in any divine task because there are some levels of challenges that mean determination cannot handle, you need the strength of heaven. *Acts 2:46* **And they, continuing daily with one accord in the temple, and breaking bread from house to house, did eat their meat with gladness and singleness of heart,**

God can increase your strength and speed for divine accomplishment in any given task. Issue of health is important to our task but according to *Hebrews 10:5* **Wherefore when he cometh into the world, he saith, Sacrifice and offering thou wouldst not, but a body hast thou prepared me:** God can touch your body, strengthen you, and repackage you for the assignment as He did for our Lord Jesus Christ. No man naturally can go through the unjust suffering Jesus went through without contemplating not even when he had opportunity to make the wrong choice, it takes a strengthen body energized spirit and well equipped soul to do that. *John 19:30*. In developed nations of the world, they always test their (contestants medically and otherwise) may be they are fit for the position they are contesting for. May Jesus makes you fit!
