Praise the Lord, I want to give glory to God for the last Come and Hear His Voice Special; Miracle Explosion because it was amazing to me. By election of grace I was one of the minister in the program and I really prepared but what amaze me was that everything I was saying was totally beyond me and not even according to my preparation, the Spirit of God just took over, and I give him all the Glory for his word and attendant miracles. **Eris D**

Praise the Lord, I want to say thank you to the Lord for grace to attend the last come and hear his Voice program. Actually I have not led any one to Christ before, so at the program last week, the minister hammer the word make yourself available, so I kept on hearing it within myself. I returned back to school and they announce campus invasion in the school fellowship, initially I've made up my mind that I won't go but I kept on hearing, make yourself available when I couldn't resist the voice, I enforce my friend that we go together and she followed me. That day we ended up winning two souls for Christ, I was so filled with joy in my heart. **Miss Olubukola K**
