When you always go to defiled places for healing deliverance and spiritual help, you might contact that spirit. There are places you go to and return with evil spirits. The best of being a Christian is to know the Lord and obey him from the scriptural perspective. Other prayer houses such as temples, fetish houses, marine homes and evil altars should not be taken to mind. You will be defiled. Bible says **...neither seek after wizards, to be defiled by them: I am the Lord your God.** Leviticus 19:31
2. **Wrong Association:** It might be transferred to you from your carrier friends. Spirits can be transfer through eating with, sleeping with, agreeing with, through conversation and being trap. We need to step out of some gathering because of the evil loaded into such gathering.

DANGER: Some had carried incurable disease the very first day they fell into fornication, some died shortly after fornicating some lived long distributing evil gotten from that spirit. So many young men and women of today are tied down and couldn't be free. They kept falling back. Hear me

- It's not right to be having sex with several men and women.
- It's not right to hunt for sex.
- It's not right to be porous concerning sex.
- It's not right to be sex driven all the time.
- It's never right to get people down with sex.
