GOD IS HERE

It's a common saying among God's people that 'divine presence makes all the difference, Yes! That is true. **Where you are** determines what is available to you. **What you are** will help your understanding of your possession. **What you have** will determine how you command. This edition of Voices From Zion Is title **GOD IS HERE** written from Psalm 124

1. **Where You Are:** determine what is available to you. There is safety in Almighty God. God is the only surest fountain of safety. He showers his own with flood of protections. He won't allow any evil forces to touch them.

God said in Nahum 1:2, 6-8 **God is jealous, and the LORD revengeth; the LORD revengeth, and is furious; the LORD will take vengeance on his adversaries, and he reserveth wrath for his enemies. Who can stand before his indignation? and who can abide in the fierceness of his anger? his fury is poured out like fire, and the rocks are thrown down by him. The LORD is good, a strong hold in the day of trouble; and he knoweth them that trust in him. But with an overrunning flood he will make an utter end of the place thereof, and darkness shall pursue his enemies.** We put our self into God by trusting him all the time. We will enjoy God's backing if we can trust him more. *Psalm 91:2 says I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust.* God is the protector of those who trust him. God will never fail anyone that trust in him for deliverance and protection *Isaiah 26:3.* The word of God commands us in Proverb 3:6 which says **In all thy ways acknowledge him, and he shall direct thy paths.** Whenever you are travelling always trust God for safety. You don't need any devil's enhancement to be safe from evil on the way. Trust God for your job, careers, business, trust God for success. You might work hard and make more money but only God grant life to 'enjoy' the works of one's hand. Don't give-in to the devil because of threats all around you. God is closer to you than you can imagine. Some had driven God away from

themselves by their complaints and fear. Replace your complaints about God today with praising him; replace your fear with faith. God moves in an atmosphere of praise and faith, trusting God all the time enhances our safety. The word said in Psalm 16:4 ***Their sorrows shall be multiplied that hasten after another god: their drink offerings of blood will I not offer, nor take up their names into my lips.*** Psalm 20:7 ***Some trust in chariots, and some in horses: but we will remember the name of the LORD our God.*** No man can save another man and if the devil is such a good personality he wouldn't have destroy the pleasure of Adam and Eve in the Garden of Eden.

2. **What you are:** What you are will help your understanding of possession. Since the beginning of the world, people possess certain qualities that make them differ from one another. We all need to discover God's plan.

If you have not discovered your vision, your purpose of living, your place in God, in time of trouble you may be wipe off. ***Isaiah 38:1-6*** Hezekiah was an instrument in the hand of God and he delivered him in time of battle. You must discover something that will endear you to God, not all pains touches him, not all prayers reach his throne but the Lord is closer to them that Love him. Register for service and you will be distinguished. Going to church once a week and closing before the church closes is not service. Watching people dying of what you can dash out is not serving the Lord. Your heart for God is needed for your own protection. If you look after God's things he will also look after your things.

3. **What You Have:** What do you have, what has your heavenly father empowered you with. David brought Goliath down with slings stone ***1Samuel 17:48-50*** Samson kills with hands. Even in Bible times(days) engines were made to fight war ***2Chronicle 26:7-15***. What you have must have been tested, trusted and certified over the years.

God had given some people specific scripture for a particular purpose which they never took serious, some are endowed with special skill and yet they give no serious approach or attention to it. Whatever God has given to you is an instrument of battle and progress. Don't useless it use it. Don't be a blind believer whom gives all attention to spirituality and no attention to their skill. You are fully protected, no cause for alarm. In this worrisome and horrible world; you are protected in Jesus name. Do you know that the kingdom of darkness and light are at war' looking for candidates. ? Hey! Why not be a light's candidate! Do you know that the enemy is hunting for your soul, you can call on Jesus to save you now.

GOD IS HERE Psalm 124:1 ***If it had not been the LORD who was on our side, now may Israel say;*** It's God that stood with you in that battle not man, no man can push down mountains with his hands yet God destroys mountains with the breathe of his nostrils. We can sing it, shout it and declare it that God is our deliverer. He may work through the hands of people but if not for him no one would have come to our rescue. Psalm 124: 2 ***If it had not been the LORD who was on our side, when men rose up against us:*** Thank God. That the matter does not got worse. If not that God stretched forth his hands, who knows where you will be by now. You might have suffered some little things but thank God that all' your enemy's plan does not come to pass. May be you have lost valuables but thank God that your life is kept. Psalm 124: 3 ***Then they had swallowed us up quick, when their wrath was kindled against us:*** Against all raging storm you were protected. The enemy has concluded on how to destroy you but God brought you out. Thank God, for He's faster than your enemies. Psalm 124: 4 ***Then the waters had overwhelmed us, the stream had gone over our soul:*** The enemy's plan is to put you in a situation from which you will never recover, but thank God it never happens. Only God can turn condemnation to justification. Psalm 124: 5 ***Then the proud waters had gone over our soul.***

God did not allow it. The proud people around you; plan your fall day and night but they are equally falling. Thank you Jesus! The proud ones will always want to put others under them forcefully. Psalm 124: 6 **Blessed be the LORD, who hath not given us as a prey to their teeth.** Let's praise him together. One of the ways to enjoy long life is to thank God openly always. Celebrate him and honour him with all your heart. Those who raise their hands in Praise are always lifted in Life. Psalm 124: 7 **Our soul is escaped as a bird out of the snare of the fowlers: the snare is broken, and we are escaped.** So you cannot be trap again, because the enemy's snare is broken, you cannot be caught any more. You are a special entity in God's hand. Once the Egyptian magician lost their rods; none of them could challenge the Authority of Moses. Psalm 124: 8 **Our help is in the name of the LORD, who made heaven and earth.** Yes! We are not boasting, we are simply praising; this God never fails. Father God, thank you for your mighty deliverance which you wrought on our behalf. We have this confidence that you are our helper; you will not leave us in the midst of battles. We are not alone because you are with us.
