ILLUMINATION

You are welcome to the spotlight of heaven. Where all darkness will disappear from you. It's obvious some are born in a dark world by parent living in the dark, and such were raised in darkness and live their life in darkness. There is no true freedom without light, until you encounter light you will remain tied down. One of the greatest assets in life is to have or possess light which is knowing what, how, who and where of life. That is the reason this fantastic edition of Voices From Zion is written and packaged for you Titled: ILLUMINATION from Psalms 119:130. ***The entrance of thy words giveth light; it giveth understanding unto the simple.***

What is ILLUMINATION: It means 'break-forth' into the realms of light. The reason why many people are never released, delivered or set free from bondage, is simply because they have no light and in the absence of light, darkness will rule. The Bible confirmed it in Psalms 74:20 ***Have respect unto the covenant: for the dark places of the earth are full of the habitations of cruelty.*** And Isaiah 60:2 ***For, behold, the darkness shall cover the earth, and gross darkness the people: but the Lord shall arise upon thee, and his glory shall be seen upon thee.*** We are already in that time of darkness the Bible is referring to. There is a need to look into few issues to prove that darkness had covered the earth today.

1. **Sickness And Health:** Men and women on earth today had resorted to the medical doctor's final say. Some are being managed by medical practitioners; they have linked most sickness to what we eat, what's going on in our environment and tell us that malaria is caused by mosquitoes, but it's a wonder. Why the rich still die of malaria and with all precautions kept they died of heart failure.

One thing you have to understand is that at the root of sicknesses is sin and the reason behind most

accidents is civilization. If there are no cars their won't be a car crash, without a ship their can't be a shipwreck, without Aircraft their can't be plane crash. The more the comfort the more the risk. Biblical way out of sickness is forgiveness of sin and the healing power of Jesus. Don't get remanded on the wheel chair, carry yourself to Jesus. The word says

And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people. *And his fame went throughout all Syria: and they brought unto him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatick, and those that had the palsy; and he healed them. Mathew 4:23-24
Jesus is the only physician that cure all ailments.

Doctor's can help to keep you stay alive but not healthy, and they can care but not cure. When the light of the word of healing and wholeness finds its way into you, your healing and wholeness comes automatically. Study the following scriptures ***Isaiah 53:1-5, Psalms 138:1-8, Matt 8:16-17 and Mark 2:1-12***

2. **Marriage and family life:** It's obvious that this area of human life is been bastardized from time to time that those that are yet to marry are going there with a mission to destroy. So many in times past had lived a good family life by adhering to the advice of the elders but much more the word of God offers the best instruction on family life. Some of those evil of today are;

- Disobedient wife
- Wicked husband
- Wayward children
- Career taking priorities over the home
- Hatred and variance in homes
- eparation leading to divorce
- Pride and making life terrible for others in the family.

All because of the darkness ruling in the heart of men. Many individuals had learnt nothing about marriage before they entered into it. Some are even worse as they have found no good example in their parents and siblings. The marriage of the heavenly follows this order 'Father, Son and the Spirit' and the Bible said they are one, here the father the mother and the children should remain one. 1 John 5:7 says ***For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one.***

The home shouldn't be a battlefield, wrestling ring or a place of disorderliness. Note that the moment the light of the scripture on marriage and family life shines into your heart and you obey the demands; you will totally be disconnected from turmoil in your home. When The Word comes in, you will find yourself in a new world of splendour all together. Go for lights ***Mathew 19:1-10, 1 Corinthians 11:8-16, Isaiah 51:1-3 and Ephesians 5:21-30***

Moral Living: This aspect of human life has been sidelined by many today because of the prevailing darkness of the hour. Some are not trained to lie, fornicate or to steal but they suddenly turn around believing that is the only way to go forward. Some had become like climate, they change often. One thing you should note is that the end is short (near). Matthew 4:17 ***From that time Jesus began to preach, and to say, Repent: for the kingdom of heaven is at hand.***

Your immoral act may soon bring you into everlasting regret. A young man became dubious overnight, and began to rob people online; he died short after, leaving the wealth behind. Some had even done more terrible things than that. Ritual killings, cold blood and abduction have become a major business in some part of the world today. Apart from earthly regret you will also suffer eternal damnation. Yet it is darkness and wrong notion that turns people into what they are not made to be overnight. Some consciences are even seared with hot iron killing all the virtues in it. If you will allow the light of God from his word to shine towards you; you will drop those evil habits because ***And the light shineth in darkness; and the darkness comprehended it not.*** John 1:5

The above listed issues proved the presence of darkness, yet there are more act that connotes darkness in this generation. Now let's go for

ILLUMINATION

Psalms 119:130 ***The entrance of thy words giveth light; it giveth understanding unto the simple.***

The time has come for you to open up your life to massive word of God. delight yourself in the word, attend Bible study meetings to learn, get addicted to instruction coming to you from the altar and be a God's word addict, read until you are illuminated Joshua 1:8 presents easy way to illumination.

This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.

1. **Speak The Word:** Let the word be in your mouth, say it continuously, continue talking about it to show that you love it. What you are passing through on the contrary doesn't matter ***let the weak say, I am strong*** because you believe in strength. Joel 3:10 ***Beat your plowshares into swords, and your pruninghooks into spears: let the weak say, I am strong.***
2. **Meditate It Day And Night:** The best of the word may not be delivered until you meditate upon it continuously. Meditation is an act of reasoning with the Spirit of God until the word delivers. Stay on it until you get the best of it. Psalms 119:47 ***And I will delight myself in thy commandments, which I have loved.***
3. **Be A Doer:** Don't just be a hearer, be a doer, don't just be a reader only be a doer. Doing should be after meditation. Instruction comes when you dwell on a particular word. When you totally give yourself to a particular word, it will soon change your entire world. (...***observe to do according to all that is written therein...***)Psalms 119:97-102
4. **Prospered:** Prospering comes as a result of taking the right steps. If you don't sow seed, nothing grows. (...***for then thou shalt make thy way prosperous, and then thou shalt have good success.***

) Life can remain burdensome if one will not live the word. Psalms 126:1-6

I could see that you are passing through some tough times, don't worry God is at work in your life and that is the main reason you are still alive, but you must be free from them open up yourself to the word of God. Seek for Christian messages and books by proven men of God. I can't forget the story of a woman who was brought to a church where I was an usher then, this woman kept coming dragging her feet with clutches and will be positioned to sit at the back, no medical treatment as it had failed her, within two months, I saw her running to the altar to share her testimony.

God will meet your needs today. Amen!

Good Reports From AZF

Praise God, one of the word I Caught from come and hear his voice Holyghost Baptism was that Holyghost fire is for us and not to be use against our enemies. Holyghost fire according to Matthew 3:11-12 is to burn every chaff in us but we can engage the consuming Fire Hebrew 12:29 against the devil and his cohorts. Also during our teachings in the fellowship I received a word that really helped me; which is people will want to re-define your life according to their opinion but don't allow it because

God has already defined you in his word. **Emma. A**

One of the word that came this month that is a great blessing to me is Don't Struggle with God. From that day till now God has been working and I need not to struggle for things to be done. **Olubukola K**

Halluluyah, I have been on a project in my field of profession which I need a Google approval for a pass but all they require I submitted yet they still required another thing that I couldn't get on time, while taking my time on how to get the approval, I came over to Jesus house for sharing of VFZ, after which we pray and heard a great meeting. By Friday Morning I received an e-mail that I need not any other approval, they gave the pass and also God just opened two great doors of blessings for me. One of my longtime client said to me that we own his company together and paid money into my account. I thank God for his blessings. **Erisan D**

Testimonies are the acts of God...Send us your testimonies to boost the Faith of Others as we Publish it in our next edition.
