#### My Biblical Poets

Reflecting on Exodus 33:19

- By the **Mercy of God**, the barren womb can conceive.
- By the **Mercy of God**, a totally written-off person can rule the nation.
- By the Grace and **Mercy of God** the wretched and the beggar can become city builders and succour to nations even in time of drought.
- By the **Mercy of God**, a totally condemned for death can be set free.
- By the **Mercy of God** an individual considered as a trash can be converted to a treasure but one good thing I have discovered is that Jesus Christ is that Catalyst Of Mercy and Grace, that cause total change between what you were and who you became (or anticipating to become).
