It isn't the issue of if it's right or wrong, the main thing we should focus on is

1. **Human View:** Could be cultural, traditional or just a 'believe'. It's good to note that most parents want their daughter to marry as a virgin, even till now they do feel proud if they have such daughter.

2. **God's Instruction:** According to Bible which we took as the authentic word of God. It's very wrong to go into sex before marriage. When two people a man and a woman are in courtship they should abstain from sex because there may be battle God wants both of to fight and win which going into sex will forfeit their winning efforts. Their may be individual difference that God expected both of them to walk on before sex. Who knows may be there are sicknesses lurking in one of them which needed attention before sex otherwise they both suffers it. There could be covenant, bondages and hereditary problems that must be totally destroy before sexual intercourse. Also I believe there are very many other hidden truths about sex before marriage which we may not know about until one abstain from it and get married first. Listen!
