SPEEDY JUDGEMENT

Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil. Ecclesiastes 8:11

In a society where people takes law into their own hands; you will find very few evil workers. No armed robbers will want to be burn openly alive. No human being will want his or her head chopped off neither will you find many fornicators in a society where people dies instantly when they engage in adultery. Today in our society, evil has sat down on royal chairs, evil sitting to judge the good. Our society is no more safe as thieves are now seen as good philanthropist. The type of government practiced in most nations of the world are responsible for the rise in insecurity. For all living to know what to do to have safe, secure organisation and nations, this edition of ***Voices From Zion*** is written from Ecclesiastes 8:11 and titled: **SPEEDY JUDGEMENT**.

Because sentence against an evil work is not executed speedily... That is the reason why evil are multiplying daily in our society, and in our nation. Until we rise for safety we will remain insecure.

therefore the heart of the sons of men is fully set in them to do evil. As long as justice can be overturn to injustice perversion in judgement will continue. As long as evil men are having their ways evil won't stop.

GOD'S VIEWS ABOUT HUMAN SOCIETY.

Almighty God created us to fulfill destiny, by fulfilling his word. From the blessings, curses and chastisement of God upon humanity we could see how God wanted us to live in a safe and secure

environment.

1. **God's Blessings:** Genesis 1:26-30 ...*God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth. *And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat. *And to every beast of the earth, and to every fowl of the air, and to every thing that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so.*

In all of these God gave herbs, animals to man but he never gave man to man to devour or dominate. God blessed the generation of man to be fruitful, multiply in the earth. God is the creator of heaven, earth and the maker of man.

- **God's Curses:** Immediately after the fall of man in the Garden of Eden, evil set-in as Cain kill Abel his brother and all kinds of evil began to buffets human race. Genesis 6:5-6.

The wickedness of man continued and there were very few that believed in God. Among many Noah was singled out as a just man, also Abraham and others. Since after 'the fall' the society of human had became wild life park. God's curses are for those who disobey his laws. Genesis 12:1-3, God told Abraham that he would curse those that curse him and bless those that blessed him. Since after the fall of man God's blessing become a conditional blessings *Exodus 23:22-25, Deuteronomy 28:1-15* says...***And thou shalt not go aside from any of the words which I command thee this day, to the right hand, or to the left, to go after other gods to serve them. *But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee:*** are condition for blessings and curses. Therefore the fall of man has contributed to or is the major cause of insecurity in our world today. Please look around you, try to browse the internet, listen to news on radio, read news paper; have you ever find a country without some form of woes, destruction and great tragedy yearly, but if you have heard of President of so-called strong nation gun down, state house caught fire, airplane got lost or crash somewhere unknown, massacre, noise of war; then you should know that no nation is secure. Therefore God's View for human society is peace at a cost.

THE COST OF A PEACEFUL SOCIETY

At the beginning God puts man in the Garden of Eden where the wildlife are pets to human, and the only way back into the Garden of Eden: a city of joy, peace and serenity; it's when all nation return back to the true God. The Bible has been proved over and over again as the authentic truth about human and creation. No other book contained real facts as that of the Bible. Listen to what the word says in Isaiah 30:15-16

For thus saith the Lord God, the Holy One of Israel; In returning and rest shall ye be saved; in quietness and in confidence shall be your strength: and ye would not.

But ye said, No; for we will flee upon horses; therefore shall ye flee: and, We will ride upon the swift; therefore shall they that pursue you be swift. can you see that? Instead of us to return we

believed in technologies to fight war. As discoveries increases, evil invention also increases alongside. All the same if we (whole nation) choose to return back to God we shall be safe.

Job 22:21-23 also says *Acquaint now thyself with him, and be at peace: thereby good shall come unto thee. *Receive, I pray thee, the law from his mouth, and lay up his words in thine heart. *If thou return to the Almighty, thou shalt be built up, thou shalt put away iniquity far from thy tabernacles.

God is waiting for the human race to return to him and not to be self dependant or other nation's dependant, let's be God dependant! There is nothing wrong in new technologies training almost every citizen to fight war, installing security gadgets all around but it's safer when God takes over. There are men and women of a great position having all kinds of security gadget installed in their houses, offices and vehicles and yet they were killed and those that killed them could not be traced, even in developed world. Psalm 127:1 says

Except the Lord build the house, they labour in vain that build it: except the Lord keep the city, the watchman waketh but in vain.

Until we start acknowledging God as the 'builder and watch' over us, we are bound to live in fear and suffer sudden attack. Nothing wrong in having body guards but it's wrong when you put your trust in armoury. Everlasting father can keep you alive. There are people living in a fenceless no burglary houses kept while some living in houses with iron barricade yet killed and their precious life wasted. Psalm 122:6-8

Pray for the peace of Jerusalem: they shall prosper that love thee. *Peace be within thy walls, and prosperity within thy palaces. *For my brethren and companions' sakes, I will now say, Peace be within thee.

This aspect must not be left out, we must pray for the peace of our nation. If 100,000,000 (one hundred million citizens) are cursing their nation out of 120,000,000 (one hundred and twenty million citizens), you can guess the result by yourself. It would have been better if all prays and believed God for security. The lost of peaceful society; is returning back to God the maker, the builder, the watcher and lifter of men.

OUR WORLD TODAY

It's impossible to have 99% saints or good citizen in a nation because among the people are killers, destroyers, hackers, Idolaters, racist; all kinds. Our world of today is witnessing great insecurity; there is no day without reports of killing. Government enforced law against those who killed with gun, hands and other objects, how do we enforce laws against those who killed through witchcraft powers or those manipulated by the devil to kill.

A WORD FOR THE SAINTS

John 17:9-15 ***I pray for them: I pray not for the world, but for them which thou hast given me; for they are thine. *And all mine are thine, and thine are mine; and I am glorified in them. *And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are. *While I was with them in the world, I kept them in thy name: those that thou gavest me I have kept, and none of them is lost, but the son of perdition; that the scripture might be fulfilled. *And now come I to thee; and these things I speak in the world, that they might have my joy fulfilled in themselves. *I have given them thy word; and the world hath hated them, because they are not of the world, even as I am not of the world. *I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from the evil.***

It doesn't matter what is happening to others around you, remember you are the generation of the beloved and no evil shall befall you. No matter the holocaust, tragedy, evil all around you, you are too secured to be destroyed in Jesus name. Shout Amen! The children of Israelite had light when the Egyptians were in darkness. **Exodus 8:22-23**. You are too defended to fall a victim, you are here on earth to save others. Noah and his family were exempted from the flood, so you will be exempted as you remain with your heavenly father.

SPEEDY JUDGEMENT

If evil must subside in our lives and society we must be ready to take the right steps. As long as we don't want to face facts then we will continued to be cheated, killed and in no time we may be eradicated.

To The Christians: you will continue to suffer if you continue to endure evil, pray against mountains, pray against death, if the enemies wins you is as bad as if you lost salvation. Your faith in God is to quench all the fiery darts of the wicked **Ephesians 6:16**. Don't watch the wicked ones kill your children, stand up and stone them prophetically, return their evil back on their head. When you are threatened by whosoever, don't just pray, report to law enforcement agency, guard your house and yourself, because you mustn't be too spiritual as to loose your sense (or right as a citizen) Rise to every occasion. Bible says: give no place to the devil. God shall see you through in Jesus name. **Ephesians 4:27**

To The Society: For us to have a better and secure society we must come out of religion and face facts. Prosecute if necessary, execute if necessary, let no sinner go unpunished. In a community where people live in fear, the leaders of such community have to be questioned! **Proverbs 29:14** we mustn't allow evil on our streets, expose wicked men, let no devil hide under your shelter. Let's come out of tribalism if we want our environment to be void of destructions Psalm 139:19. **Surely thou wilt slay the wicked, O God: depart from me therefore, ye bloody men.** Peaceful society is the work of all.

LETTER TO THE GOVERNMENT.

Proverbs 14:34 ***Righteousness exalteth a nation: but sin is a reproach to any people.***

Your Excellency,

The leaders of our nation, the front liners in our country, more grease to your elbow, more strength and energy to carry on good governance.

You can tell by the reports of those you are leading 'the impart of this present administration how it makes us or marred us as a people.

The main reason of writing this letter is for the government to fight injustice in the land. As long as we allowed sinners to go scout-free and keep on to pardon condemned for death, our society will remain insecure for both young and old. No one should be above the Law.

Regards
