Lord Jesus have your way in this special talk to day, let none be offended but be enlightened with light out of their gross darkness in Jesus mighty name. Amen!

The issue of sex is highly sensitive and that is the major reason it's hard to counsel any one about it, it's a fragile issue that can put one in trouble instantaneously and continuously.

It's so powerful that at a blink of an eye, moving of lips, just a hug, a kiss, a touch, then you get yourself in trouble Before you know what is going on, you are already in the act, Nobody is prone to sex even the impotent has feelings. No man or woman on earth is a super- human; We can all fall by sexual intercourse I believed that before Eve gave Adam the apple to eat, she must have kissed him, touch him, make him feel good and when men are moved sexually then they can eat, say or do anything, God have mercy!

- Sex before marriage is fraudulent

- Sex outside marriage is unfaithfulness
- Sex with same family lineage is de-humanity
- Sex with animals is very destructive Reduced human to mean animals.
- Sex with same sex is inordinate
- Sex with oneself is demoralizing and draining
