

THE SENT

Description

? Listen to Article as Audio

Download file as Audio

It's high time to walk in the reality of the God that sent us. There is one personality to fear, his name is God. There is no such word 'fear man' as a command in The Holy Bible. This very edition of Voices From Zion is directed to the sent ones. So many had been sent by God to deliver and set free many from shackles or one problem and the other. Some are being sent to the hierarchies, highly placed personalities, those whose positions trigger fear in the heart of 'the sent ones'. In order for you to deliver your message with precision and say it and do it exactly the way God sent you. This edition of Voices From Zion is written titled

THE SENT

Thou therefore gird up thy loins, and arise, and speak unto them all that I command thee: be not dismayed at their faces, lest I confound thee before them. Jeremiah 1:17

Let's begin this journey by answering some questions:

Who Is The Sent?: Any human sent by God the Almighty with particular message to humanity as He sent Jesus Christ, or to a particular nation or to people as He sent the prophets of old and our time. It is also noted from pages of the Bible and words of elders that every man on earth is sent to do a particular thing.

What Are You Sent To Do?: This is a big question to those who are yet to find their place in life? Doing good, sponsoring or erecting charity organisation and doing alms to people in need are not any man's calling. It's the duty of all the Living, so you must find what you are sent to do right here on the earth. Until you locate your assignment your mystery continues. It's sure and proven that 90percent of your need will be met in what you are sent to do. Some can give in their life for another man that had

imparted them for good. If sickness, deadly diseases, imprisonment can be transferred, some are ready to take the place of some man and woman that had affected them positively in such situations. You must know what you are sent to do down here.

Who Sent You?: One truth that science will not agree with is that we exist before we were born, in fact God had to tell Jeremiah ***'Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.'***

Jeremiah 1:5. That statement is beyond human research. God is saying before your father meets your mother you existed and are ordained. So you are born at the right time and by the will of God, he sent you here to fulfil a divine mandate. This mean that human are created to live in the reality of what God made of each one of them before they were born. Creation according to the knowledge of men may have different version but the Holy Bible story of creation cannot be questioned and have just one version. Most people are living awkwardly negative to divine intention. Once you go off-course to do what you are not made of, you can never be fulfilled because your creator will be absent in any other thing you do except you fulfil his mandate.

The Sent and Things To Note:

DOMINATE: Genesis 1:26-27 says ***And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. *So God created man in his own image, in the image of God created he him; male and female created he them.***

In another form, God made man a little god to be in charge of his earth, for the earth is the Lord's and the fullness thereof. So dear, you were sent to dominate, any calling that puts you under is not from God. Going through the list of inventors, you will never come across the names of any Angel, animal or even beast. One cheap way to get back to dominion is to acknowledge salvation. All Christians worldwide can sustain dominion all through lifetime via Lord Jesus Christ. The dominion of man became limited, questioned and diverted when man fell into sin by disobeying the order of God Almighty in the very beginning. Men aren't made to dominate another man but to dominate over the earth and other living creatures. It isn't today that earthquake, hurricane, volcanoes and other natural disaster began; it has been since after the loss of man's dominion. The moment you give your life to Christ Jesus and obey him, you will be shielded from all disaster. There are stories of Christian missionaries which face plane crash, shipwreck, lions, fiery serpent, vehicle accident and came out unhurt at the name of Jesus. Apostle Paul had these testimonies:

II Corinthians 6: 4-10 ***But in all things approving ourselves as the ministers of God, in much patience, in afflictions, in necessities, in distresses, *In stripes, in imprisonments, in tumults, in labours, in watchings, in fastings; *By pureness, by knowledge, by longsuffering, by kindness, by the Holy Ghost, by love unfeigned, *By the word of truth, by the power of God, by the armour of righteousness on the right hand and on the left, *By honour and dishonour, by evil report and good report: as deceivers, and yet true; *As unknown, and yet well known; as dying, and, behold, we live; as chastened, and not killed; *As sorrowful, yet always rejoicing; as poor, yet making many rich; as having nothing, and yet possessing all things***

...all that experiences shows that with Jesus dominion is certain. The stories of Daniel's companions in the book of Daniel 3:1-30 is a graphical illustration of dominion. The fire had no effect on them neither

did smell of fire was perceive on them after being through the furnace which was heated seven times more. The Bible rendered it this way ****Then Nebuchadnezzar came near to the mouth of the burning fiery furnace, and spake, and said, Shadrach, Meshach, and Abed-nego, ye servants of the most high God, come forth, and come hither. Then Shadrach, Meshach, and Abed-nego, came forth of the midst of the fire. *And the princes, governors, and captains, and the king's counsellors, being gathered together, saw these men, upon whose bodies the fire had no power, nor was an hair of their head singed, neither were their coats changed, nor the smell of fire had passed on them...***

The similarity in the historical scriptures shared above was that they all enjoyed dominion in their calling. This proved that dominion of man is limited outside his calling and connection to God Almighty. Truly all human exercise some sorts of dominion on other things God had made, but your real relevance is in your assignment. A managing director can only direct where he's made a director. Up until now, the countries of the world still maintain national leader not world leaders. Each country has their sovereign power.

TREASURED: Moses was born in a time there was decree to terminate Jewish male babies, yet Moses' life was preserved because Israel's freedom from Egypt was tied to his person. Exodus 1:22 ***And Pharaoh charged all his people, saying, Every son that is born ye shall cast into the river, and every daughter ye shall save alive.*** So if there is calling of God upon your life, He will be intentional about you. Moses grew in Pharaoh's palace had Egypt education and was brought up as an Egyptian before God used him to free his people, Israel. Exodus 1:7, 16-22. So the sent ones are born in due season to serve him that sent them. Moses was never fulfilled and treasured until he picked up his God ordained assignment for his life. The book of Exodus contains lots of signs and wonders wrought by God through Moses in Egypt before they were let go. Once you locate what you are sent to do, and start doing it, then your life will be treasured by God and people. The reason many aren't treasure by many is because they are not fulfilling the reason of their existence. Mere living for yourselves won't make you a treasure. There are rich men and women that really cherish some more than the children of their bowels because they meant a lot to them. In fact it's never late for you to stretch yourself to know what God want to have you do or be to people, nation and to the world at large. Romans 8:19 ***says For the earnest expectation of the creature waiteth for the manifestation of the sons of God.*** Your Voice shall be heard on high in Jesus name.

The sent needs the following to fulfil God's mandate on their Lives. You need not to fear those you are sent to but the one that sent you, who's above all. Now is the time to stand up and do it the way God had sent you. Stand firm with his message. The reason the gospel has not been preached in some countries and some regions of the world till now is because of lack of wisdom and presence of fear. The Lord has sent you, go! The gates of hell will lift up their heads. He that sent you is called the Almighty. Isaiah 40:9-10. ***O Zion, that bringest good tidings, get thee up into the high mountain; O Jerusalem, that bringest good tidings, lift up thy voice with strength; lift it up, be not afraid; say unto the cities of Judah, Behold your God! * Behold, the Lord GOD will come with strong hand, and his arm shall rule for him: behold, his reward is with him, and his work before him.***

Once you begin to relegate, readjust, and subject your assignment to critical analysis with consideration, then fear is at work. At some points in life, things will happen to you to prove who you fear and each time you fail to exercise your boldness in God; you fail him and will repeat the class.

...be not dismayed at their faces, lest I confound thee before them. Once you are sent, you are God-man, just go ahead and do it the way you are sent, because its' either your glory or shame, one will have to shine forth. Glory if you go and do it as sent, shame abound if you didn't go or go wrong. God is watching and his word is holding on you. Most people are living a miserable life amidst people they are sent to deliver, some are begging for money, food and shelter from those that should be under their blessing because they've left the detail of their sender, God. One good thing you must heart from today is that you are **sent**.
