You are welcome to this meeting today, almighty God want to speak to us specifically about the woman. You can give this talk any title by yourself from Genesis 2:18 **And the Lord God said, It is not good that the man should be alone; I will make him an help meet for him.** Firstly it's good to note that it was God that saw that Adam needed help; he never asks for it may be because it was beyond his reasoning then. God would have ordered the angels to help him but God made perfect help for man by creating someone out of his flesh because nobody can help you like somebody. Even till now if God wanted to help any man he sends another in most cases. The need of an opposite sex will forever be an important topic. When God wanted to redeemed humanity he sent Jesus that existed before he was born to die for our sins. Jesus didn't come as a spirit to help humankind but came in the flesh to help us. The following Scripture says more:- **John 1:1-14, Philippians 2:5-11, Hebrew 4:14-15** , as long as we are humans we will need ourselves, even if your wife to be is still in the heavenlies or in the realms of the spirit (yet unborn) she must be born to actually help you.

For any man to be free from shackles of loneliness and not suffered in marriage. For men to be fulfilled martially there is a need for you to understand the following things about women.

1. They were made by God to help man; were the first help God rendered to man. *Most married men died before their time because they refused to listen to their loving and caring wife.*
 - Women are lesser to men in everything, their reasoning, actions, words strength and almost in all things, that is the major reason any unlearned man can marry an highly educated woman. Though women are lesser than men yet they are their husband's confidant to face some life dreadful challenges. Their Presence in our (man's) life will make us conquer more if we dwell with them according to knowledge **1Peter 3:7, 1Corinthians 11:7-11**
 - The (physic) structure of the woman, are made out of a single rib God took from the man, therefore a woman should not be your problem, your woman should not mislead you because

you are in all things more than her. In times past I do feel that God was unjust for not punishing the woman alone or banish her from Eden and made another woman for Adam after he must have purified him but now I know better **Genesis 3:1-24**. The woman was to totally be subjected to the man, so one thing to do is that every man must exercise his given right as a man and do not let the wiles and 'senselessness' of some women scatter their life and destiny moreso if you don't know how to handle women with Love and care you will live your life in tension and never be happy (married or unmarried man).

Also note that unlike at the beginning of times that all men faith is one; all worship one God and women virginity were kept until marriage. These days things are virtually different, the fact is that you need the help of God to live in peace with any woman. *Nowadays Family, religion, tribal and economic issues scatter homes. Generally how should men relate with their women?*

- Do not let any woman lay curses on you.
- Do not deceive any woman.
- Do not gossips about or insult women.
- When they flare up at you; take it easy.
- Love your woman deeply in your heart even when they seduce you, pray for them and don't fall for them.
- When a woman is furious at you, escape for your life because they(some) can kill and later cry for killing and even died with whom they have killed.
- Men! Never pick any woman as an enemy.
- No man or woman on the earth rejects LOVE.

Reasons You Need To Pray:

1. If you are surrounded with so many women and you have none. Pray!
2. If you hardly sustained relationship with any woman for long then you need to pray.
3. If women continuously jilt you, then you need to pray!
4. If you are always being threatened by a particular woman in the night dream or in reality. Pray!
5. If your woman refused to submit to you. Pray!
6. If your woman intentionally disobey and disagree with you continuously then pray.
7. If your woman honours other men and reviled you. Pray!
8. If your wife hate having sex with you or always feel uncomfortable each time you come together. Pray!
9. If your woman or any woman had not add to you in any way, or helped you in life then you need to pray.
10. If women never agrees to your proposal or agrees and later disagree. Pray! ***Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.*** Philippians 4:6

Pray here means seek almighty God for answers; he is the maker of male and female.
