VIRGINS; Never had Sex.

An undefiled woman and a just young man have some heaven enhanced ability most of which they knew not. Keeping your vessels clean entitles you to a whole lot of blessings from the Lord (if you are a Christian). Some of them are

- Unequal root anointing
- Unparalleled Success in your endeavours.
- Stronger spirit to influence.
- Great insight as he or she walks with Lord.
- Divine selection to have a great child.

Thou art all fair, my love; there is no spot in thee. Song 4:7

There are threescore queens, and fourscore concubines, and virgins without number. Song 6:8

Though all of the above are available in Christ as we serve and remain faithful to his cause but most assuredly God treats intentionally clean vessels differently. You might not have had sex but outside Christ you have limited gain for your sanctity. It's good and to your advantage to keep yourselves from all kinds of sexual harassment and defilement; it's such an edge that will add up to your stepping up and encounter great favour someday.

The devil kept pumping lies into the world of today such that he has made many to believe that their is nothing in sexual intercourse before legal marriage. The reason is that what gets lost during intentional sex before marriage is unnoticed which may never come to mind until God reveals. The devil had no inroad to destroy the pleasure of Adam and Eve until they ate the forbidden fruit. Most marital

relationship would have remain lovely and rewarding if they had not falling into sex. Some are even getting married with pregnancy as if it's right. I pray for restoration in Jesus name.

Keep your virginity, someday you will get married legally if you so desired but it's defiling for several men or women to have you without marrying you.

- My Special regards to widows, please remarry if you wish to, it isn't an error, same to widower. 1Corinthians 7:8-9
- To the sexually harassed (or raped) get healed and forgive. God restores and make all things new. Isaiah 43:18-19
- To those married to an unfaithful partner, may God grant you peace and show you what to do in Jesus name. Titus 2:11
- To that beautiful girl on whom the eyes of guys (men) are on; I decree you shall not be a victim in Jesus name. May God in his infinite mercy keep you for the right man. More so, you have to pray to God your father; because their is limit to what your earthly father can do to protect you, neither can they enhance your self control only God can do both for you. Their are forces of defilement stronger than you which are only taken care of in Christ Jesus. ***And Dinah the daughter of Leah, which she bare unto Jacob, went out to see the daughters of the land. *And when Shechem the son of Hamor the Hivite, prince of the country, saw her, he took her, and lay with her, and defiled her... And they said, Should he deal with our sister as with an harlot?*** Genesis 34:1-31
- To that young man that is being driven by forces to do harm to girls, that man that kept receiving satanic inoculations to rape girls, be delivered in Jesus name. ***Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience:*** Ephesians 2:2. You have a great future lied ahead of you, dear don't ruin it. Yet you need Jesus Christ in your heart to evacuate all evil forces in you and baptise you with the Spirit of meekness bringing your body under control. Jesus Loves You.
