WHAT DID YOU SEE?

The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. Isaiah 2:1

Your Thought: It's good to note that so many things borders /burdens people. Humans think about so many things and get confused most times. So many times our imagination doesn't tally with our final outcome. Some thought of good job, living in a good house and building a strong and happy family/home but none came to fulfilment as they imagined it. You think it but never possess it, you may wonder why? because you think it does not mean that it will happen. Your imagination may yield no result because it negates God's disposition and ultimate plan for you. Living life outside divine dictate is to abide with frustration. Let's enumerate some of those things human thought about:

1. **SELF:** A lot of humans on the earth today think about their self, involving their possessions, level desired, things they want to acquire and the kind of life they desired to live. 1Peter 5:7 says ***Casting all your care upon him; for he careth for you.*** Thinking of self and placing self above

all others will turn you to self centred personality; such can't see the need of others except theirs. The truth is that you are helpless without submitting self to God. Self is behind the trouble of so many today, they just want some certain thing by all means; knowing that your earnings might be enough to satisfy your want but only God can meet your need. The game of self first will always lead to self pity at the end. You might even be tempted to terminate self when your need are not met and you are found in self degradation. God will see you through in Jesus name.

2. **OTHERS:** Yes others, some are concerned about their relatives, some are lost in thought about their spouse and children. Some business owners are troubled within about their business and workers. Some men vision seems unsafe with those they shared with. Some lead Pastors are afraid of those they place in charge of some aspect of their church ministry and branches. All sorts of disturbances ruling the mind of many. Psalm 138:8 gave us this assurance; ***The Lord will perfect that which concerneth me: thy mercy, O Lord, endureth for ever: forsake not the works of thine own hands.*** Isaiah 60:21 also says ***Thy people also shall be all righteous: they shall inherit the land for ever, the branch of my planting, the work of my hands, that I may be glorified.*** Please note that your imagination about others may not work out, and if it did, it may just be for a while and later turn the other way. Some family people out there are comparing their spouse and children with others because they couldn't fit into their own personal imagination. We are not to live as others or fulfilled other's dream but to live our life. Those that fell into the category of others are our immediate family, friends, colleagues, co-workers and neighbours. It's good not to give the totality of ourselves to any man.
3. **THE NATION:** So many are worried about their country, they read news paper daily, listen to radio and watch TV news. Some of which have come to an agreement that without their nation, they are doomed. Mind you God knows all things, complains, arguments, insulting the leaders had no solution within it. Just as children become wild or useless when they are rough handled but when they are taken care of and prayed for, they are turned to blessings in our hands so also is our nation. Psalm 122:6-9 says ***Pray for the peace of Jerusalem: they shall prosper that love thee. *Peace be within thy walls, and prosperity within thy palaces. *For my brethren and companions' sakes, I will now say, Peace be within thee. *Because of the house of the Lord our God I will seek thy good.*** One major reason, you should stop worrying about the nation is that, it isn't your handwork. Some people are complaining at the news while Mr President is fast asleep on a comfortable bed.

All of the above and many more are the things people thought and worried about; I pray for you in the name of Jesus whatever the devil is using to paralyse your joy and tame your ability is destroyed today in Jesus name. Whatever situation that wanted to wipe you out of life, destroy your destiny and endanger your children is reversed in Jesus name.

WHAT DID YOU SEE?

The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. Isaiah 2:1

If all you see about the situation is a technical way out, you have not seen anything really helpful yet because science has no final or the best answer, political powers have no genuine answer to the national crisis, neither did you have the answer but there is an answer book of life called

THE HOLY BIBLE.

It is the wisdom bank for all the living! The answers to all human race problem. It's an ocean that swallows all kinds without any signs. Nothing can threaten the Holy Bible. The main word of God among men. Until you see the word concerning yourself, others and your nation in the Holy Bible; you have no hope. God speaks everyday through the pages of the Bible to all those that create time for it. Isaiah 30:21 ***And thine ears shall hear a word behind thee, saying, This is the way, walk ye in it, when ye turn to the right hand, and when ye turn to the left.*** Hebrew 4:12 also says ***For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.***

God's word is faster in delivery and create lasting solution. When the word is sent to you answer has come. Psalm 107:20 ***He sent his word, and healed them, and delivered them from their destructions.*** If you received the word then it settles you. The word of God is miracle loaded. You don't know God until his word is opened to you. When you stand by the word, no force on earth can push you down. The word of God changes your perspective; you will begin to create things out of nothing, foreseeing things yet to come, deliver lectures with precision, orders with authority and lived permanently above the calamities of life.
