YOU AND YOUR TITHE

You can pay your tithe in any church. Tithe is not a blessing to any man of God, its isn't a show of appreciation for answered prayers(to any minister of the gospel). It's an obligation that must be fulfilled. You don't have to pay to a particular man of God or a church. You are actually paying to Christ through his church. So you can pay your tithe in any church (but be sure it's a church found on the foundation of Christ) also I think wiring your tithe over the net to a particular pastor or church is not sensible, and not honourable to God. It's good to appear before the throne of grace with our tithe by ourselves. Or what do you think? Malachi 3: 10-12, Hebrew 7:1-8

THINGS THAT DISTURB TITHING ACCOUNT

Anyone that pays TITHE must be conversant with the following under-listed insights otherwise, the blessings of paying TITHE won't be seen in such life. We need to register it in our mind that praying and other services we render in God's house do not replace TITHING, humanitarian efforts and financial sacrifices doesn't replace it either. What are the things that disturb spiritual TITHE Accounts?

1. **BORROWING:**It's a forbidden fruit for all TITHERS. Borrowing things you need crossed out or pause your TITHE blessings if you don't stop borrowing, you won't receive from God's treasure. TITHING exercise forbids borrowing because each time you are in need, God commands an open heaven from your TITHES. Most people borrow when their need is seen as urgent, or when they are afraid of losing out of a particular project, but one thing to note is that continuous TITHING will automatically, one day move you to a level that your needs of today won't be a need any more (Deuteronomy 15:6 ***For the Lord thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee.***)
2. **Lack Of Financial and Material Integrity:**Or lack of integrity on its own is a disease that will rob you of your TITHING blessing. Whether you pay tithe from a stolen money or not; it will affect you wrongly. Whether you pay TITHE or not from money gotten from fraudulent practices it will surely affect you. Once you started paying TITHE; your hands become a blessed hands and if you put-in the same hand into taken things that are not yours legally or maybe you invest in an illegal business will affect your TITHING accounts in the heavenly. Anybody can become wealthy through dubious act and lack of integrity but will be pierced with many sorrows.

(Proverbs 10:22 ***The blessing of the Lord, it maketh rich, and he addeth no sorrow with it.***)but if your riches is traceable to God's blessings only; then your life will be filled with his peace and so many good things you can think of. Be pure! Be Plain! Because you are never free from your acts.

God's Servant That Pays Tithe: Please don't pay to yourself or to a Church you will enjoy what they used the Tithe to do. You don't give and eat what you gave.
